TERMINAL DISCLAIMER

Dear Sir:

Petitioner, Exxon Chemical Patents Inc., a corporation of the state of Delaware, is the owner of 100 percent interest in the above-identified application. Petitioner hereby disclaims a terminal part of the term of the patent equivalent to the period of abandonment of the above-identified application. This terminal disclaimer applies to any patent granted on the above-identified application or on any application which is entitled to the benefit of the filing date of this application under 35 U.S.C. 120. This disclaimer is binding upon the grantee, its successors, or assigns.

Check either box 1 or 2 below, if appropriate.

1. ☒ For submissions on behalf of an organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

2. ☐ The undersigned is an attorney of record.
